How to use this dental plan

When you visit your dental provider, tell them you are a Delta Dental member.

When the member visits:

Delta Dental Premier Dentist:

Members are held harmless from balance billing (will not be billed for the difference between the dentist's billed charge and the Delta Dental negotiated fee).

Non Participating Dentists:

Members may be held liable for the difference between the dentist's billed charge and the non-participating allowable.

Advantages

- **Freedom to choose your dentist** With more than 2,400 contracted Delta Dental providers in Oregon and over 157,000 Delta Dental Premier Dentists nationwide, you have the freedom to choose the dentist that's best for you.
- **Professional Arrangements** Delta Dental of Oregon has specific negotiated fees with our participating dentists to ensure that actual charges made by the dentist do not exceed his or her accepted or contracted fees on file. We believe that the underlying unique feature inherent to all Delta Dental programs is every participating dentist
- **Member Dashboard** Through our online service, you can download your member handbook, view claims status and payment information, search for participating providers, order ID cards, view personal information, and email dental customer service. You can access the Member Dashboard at [DeltaDentalOR.com](https://www.DeltaDentalOR.com)

Dependent Eligibility

- Dependents are lawful spouse, state registered domestic partners and eligible children to age 26, including children an employee is required to enroll due to a court or administrative order.
