

**Hood River Valley Parks and Recreation District  
Pool Options Study, Conceptual Design, and Operational Cost Analysis  
Request for Proposals**

**First Review Date:** January 30, 2025

The **Hood River Valley Parks and Recreation District (District)** is soliciting proposals from qualified engineering or architecture firms to conduct a comprehensive feasibility study for various aquatic facility concept plans and to gather community input. The study will evaluate the practicality, costs, benefits, and potential impacts of developing a new aquatics facility or renovating the existing one within our community.

**This RFP is for the purpose of evaluating a consultant who will be awarded a direct procurement pursuant to ORS 279C.110(10). Accordingly, the first review of proposals will be on January 30, 2025, at the District offices, but may remain open if a suitable consultant is not identified.**

The District reserves the right to reject any bid not in compliance with this Request for Proposal or all public contracting procedures and requirements and may reject for good cause any or all bids upon finding that it is in the public interest to do so. The District is not liable for any costs incurred by the proposer for the proposal preparation or presentation.

Copies of the RFP documents may be obtained or reviewed at the District office or on the website at <https://hoodriverparksandrec.org/rfps>.
